MEMORANDUM FOR: Deputy Director of Administration

FROM:

Director of Security

STAT

SUBJECT: Omnibus Intelligence and Security Improvement Act

REFERENCE: Memorandum from Chief, Legislation Division, Office of Legislative Liaison

1. Following are Office of Security comments on H.R. 1082. They have been coordinated with the Office of General Counsel:

\* Title IV - Federal Employee Unauthorized Disclosure of Classified Information Act

While a step in the right direction, this section is not broad enough, primarily because it pertains only to federal employees and members of the uniformed services. It does not cover contractor employees consultants, etc., who may have access to classified information. It is suggested that this section be used as a vehicle by the Office of General Counsel for the development of a more comprehensive legislation.

\* Title V Federal Polygraph and Prepublication Review Limitation Act

This section is supported by the Office of Security.
